Subject: Text from Talking Points in the Sharepoint for Ross (but most likely will NOT join)

Good morning Kathy,

I had pulled these from SP per your request yesterday but did not get to it. They are approved, but are a bit 'light'; if we need to I can pull something short together for Ross. I asked Stephanie and it does not even look like Ross will attend, and he apparently has not even been asked. I can do something quickly here, but it seems pointless at the moment.... Just crossing this off for your to cover ourselves.
